Michel Scavuzzo : Sell More Cars before purchasing it in order to gage whether or not it would be worth my time, and all praised Sell More Cars:

1 of 1 people found the following review helpful. Very easy to read and understandBy Margaret A. DavisVery easy to read and understand. You will no doubt find this book is loaded with good helpful information so that you can start increasing your sells from the moment you finish reading it. It is the most useful tool ever in the car selling business.0 of 0 people found the following review helpful. I work in the bussiness for the past 20+ years and I'm making record salesBy Epicus MaximusI own a used car lot and usually December is a slow time for sales. I bought this book and used its knowledge the past couple weeks and 3/4 of my lot is sold, I have smashed all previous years sale records by thousands. Word of mouth is getting around and I've received dozens if not a hundred calls in the past 3 days for people shopping for cars. I can't wait to restock my lot and see where this takes me.1 of 1 people found the following review helpful. Great insight!By CustomerDefinitely a good guide to increase sales and understand the Business of dealing with people. After my first month reading this book I added two to three more cars a month.

Learn what your customer doesn't tell you. Close more deals without missing profits. Proven techniques from a sales pro, turned dealer, turned certified dealer consultant for one of the largest privately-held companies in the automotive industry worldwide. Easy read. You will wish someone shared this book with you sooner. Sell More Cars goes into specific techniques never before shared that will not only help you literally sell more cars, but make you more money on the vehicles you do sell. I have personally used everything you will read in this book with a tremendous amount of success. I have also had the pleasure of training thousands of sales professionals over the years with incredible success. People can purchase a vehicle anywhere, give them a reason to buy from you and increase your commissions at the same time..
